Our academic activities have also affected by the lockdown, but there is no doubt that we are facing this challenge sincerely and putting our best. To keep this in view and as per the suggestions from faculty members and students, The IIIT Sonapat institute recently subscribed to over 4,030 courses on coursera.

The students are required to provide their details (e.g, name, roll no, and email ID) for completing the registration process on Coursera for campus platform.
