## Notice

**Subject: Access PARAM Siddhi–AI Supercomputing Facility at IIIT Sonapat — Free for Academic and Research Use**

Dear Faculty Members, Research Scholars, and Students,

We are pleased to announce the availability of the **PARAM Siddhi–AI System** at **IIIT Sonapat**. PARAM Siddhi is a state-of-the-art AI computing infrastructure that offers dense GPU compute resources optimized for High-Performance Computing (HPC) and Artificial Intelligence (AI) workloads.

This facility provides an excellent opportunity to access one of India's most powerful AI supercomputing platforms free of cost for eligible academic and research projects.

Interested users are requested to contact the undersigned to obtain a User ID and Password.

For further details or queries, you may contact the following persons:

1. Dr. B S Bhati
2. Dr. Chanchal Kumar

Best regards,  
Dr. B.S Bhati  
AP, IIIT Sonapat.
